Our lunch ordering from Mr K’s will commence this Friday.

It is an easy process. Parents wishing to purchase a lunch order for their child on a Friday will place an order at the school office by the Wednesday afternoon prior or drop the order directly to Mr K by Thursday morning at the latest. Lunch orders will be delivered to school in time for distribution on Friday. Orders must contain the correct cash money.

We will continue to have over the counter sales from the stadium kitchen on Friday recess.

The menu is as attached. It will be modified during the winter months to reflect the colder weather, e.g. Macaroni Cheese and Spaghetti Bolognese.

More order forms are available from the office or you may write the order on the front of the envelope containing the correct money.

If you have any questions or concern please contact Mr K or the office.

Kind Regards
Veronica.
