

2010 Grade 6 Windcheater

Traditionally at Wandin Yallock the Grade 6's have had a special design printed on their windcheaters. All their names are included in the design.

Grade 6 students in 2010 will be asked to present a design for the Windcheater and a vote will decide the winner.

The school will be dealing with all orders and will be sending the windcheaters off for printing before the end of the year, which will enable the students to start the 'New Year' with their specially designed windcheaters.

This is a 'once off' order. We cannot get reprints or extras printed and we cannot receive any returns. Your order **must** be returned to The Office no later than Friday 14th August 2009.
