

Family Fun Fair

Saturday 16th May 2009

Our annual Fair is only eight weeks away and we are now looking for a co-ordinator for each grade. Is this you???

I promise you will not be left in the dark and will be helped all the way!!

This year the Fair will be broken up into four main sections:

- Prep to 2s - will be running the hot food sections (BBQ & Canteen)
- 2/3s and 3/4s - Drinks, desserts and sweet things (Food caravan)
- 5/6s - Plants, produce and novelites (Assembly area)

The aim of co-ordinator is to work with your class teacher and the other co-ordinators in your section, then to communicate to the Fundraising Gang to ensure everything needed for the stall is in place.

You will then need to organise a roster of parents in your child's grade to assist with the stalls on the day. Please don't be afraid - it's not very hard and you will get lots of support! Please return the slip below by Monday 23rd March.

For enquiries phone Georgie Johnson on 59 644 578 or 0409 184 148.

We would also hope that grades come up with a simple novelty idea ie snakes in a jar, lucky dip etc. It could be prepared by the grade and sold by the grade 5/6 on the day. If you have any ideas please see the class teacher.
