**GRADES 3-6 SWIMMING PROGRAM**

## Kilsyth Pool 26<sup>th</sup> October - 30<sup>th</sup> October 2009

Dear Parents/Guardians,

Once again we will be running our very successful swimming program at Kilsyth Pool. The pool will be running five 1 hour lessons for our Grade 3-6. Advantages continue to be:-

- \* swimming is an essential skill for life. (Australia has many dams, rivers, lakes and Oceans).
- \* the building up of stamina and more intensive instruction over the hour.
- \* the one hour session saves time and cost on travel and more actual pool time.
- \* some time for "fun" activities each day.
- \* increased levels of fitness.

Kilsyth Swimming Pool is run by professional instructors, in ideal conditions. The program for 2009 includes the use of the YMCA Aquasafe Log Book and lessons will now have a combination of structured lessons with other fun water activities. For children with YMCA Aquasafe books, these will be updated at the end of the lessons. New logbooks can be purchased for \$5.00 from the pool. This will be the **only record** of your child(ren's) swimming progress.

**1<sup>st</sup> DAY** Please send any relevant records of your child's swimming (certificates/booklets) with your child on the **first day of swimming**. This will help with ability groupings.

We expect **all** children to participate in this vital program **as costing is worked out on all children participating**.

The cost/program would have to be revised if too many children pulled out due to illness etc. (The bus fares are fixed prices regardless of numbers).

Cost for the 5 days program is **\$65.00**.

The pool requires **confirmed numbers by the 12<sup>th</sup> October**, therefore we need the bottom section of this form returned by this date or sooner. Parents are most welcome to accompany children to the pool or come down to watch any day.
