Dear students, parents and friends,

Last Friday evening’s Father’s Day BBQ was another marvellous Wandin Yallock community event. With delightful spring afternoon with their children playing cricket, footy, tennis and basketball and catching up with other dads. There was a weather and the smell of sausages wafting across the oval, the many fathers, pops and grandpas enjoyed a perfect great turn out with approximately half our families represented. Through donations collected on the day, we raised over $150 for the Prostate Cancer Foundation. Thanks to the group of volunteers who helped out with either the Father’s Day stall on Thursday or at the BBQ.

After many hours of planning, rehearsal, prop making and costuming, the concert has finally arrived. Tonight’s “Night at the Movies” is set to be another showcase of the amazingly talented Wandin Yallock students. It has been great to see the students so involved in the writing and development of their class acts. The team work and cooperation, creativity, problem solving and enthusiasm that the students have displayed is inspiring. I would like to congratulate the students in advance for the hard work and effort they have put into getting ready for this event. You should all be very proud of yourselves!

Have a great week,

OUTSTANDING ACHIEVEMENTS

CALEB A.
What a star Caleb is! He has enthusiastically taken up every opportunity to show his fabulous performance skills this term. His ability to step into any role and deliver it confidently to the audience is to be admired. Caleb has involved himself whole-heartedly in class plays, Warriors dance group, 3D Arts, Pre-Concert entertainment and Concert rehearsals. He delivers his lines with such expression, projecting his voice clearly and confidently, and is quick to learn the various dance moves required for each group. Caleb you are a star! Keep on shining.

MIKAELA H.
Mikaela has really encompassed our performing arts unit of inquiry this term. She has shown herself to be a creative and talented script writer with a genuine flair for public speaking. Mikaela’s clear, confident and expressive voice is a real asset to any performance. She has been an absolute star in our Concert rehearsals as a narrator and has been instrumental in choreographing and leading the grade with dance moves. It has been fantastic to watch Mikaela’s leadership skills highlighted in such a positive way. As well as this, Mikaela is an excellent student who consistently works to a high standard. She writes creatively, reads prolifically, is a champion at maths and completes over and above the required homework. Congratulations, Mikaela. Keep up the great work!

**Cyber Safety Information Session**

**Thursday September 18th at 2:30pm**

During term three, students in grade 5 and 6 have undertaken a Cyber Safety unit as part of Digital Literacy. The issue of Cyber Safety for our children is becoming more important as we use and rely on technology for just about everything these days. Students have worked in groups to research a Cyber Safety topic and as part of their assessment will present their findings to their peers, parents, friends and family. Students have worked conscientiously to provide a meaningful information session with the aim of teaching and informing their audience of such issues including; Cyber-bullying, how to stay safe online, who to ‘friend’/talk to online and what to do if things don’t go to plan. If you can make it on Thursday September 18 at 2:30pm in the Library your presence will be greatly appreciated.

Looking forward to seeing you there,

Ethan Shaw
