## **CUP DAY EVE – Monday 31<sup>st</sup> October.**

Dear parents,

Next Monday 31<sup>st</sup> October, the day before Cup Day, is considered a normal school day and therefore the school will be open as usual. In the past, most of our families have used this day as a chance to have an extended long weekend and have not sent their children to school. Therefore, in anticipation of reduced numbers once again, we will be running an alternative F-6 program to cater for the historically low number of students who do come to school on this day. In order to not disadvantage absent students, no new content will be taught to students. Students are encouraged to bring suitable board games, puzzles and other such activities to share on the day.

To help us with preparing a suitable program for the day, please return the slip below by Friday 28<sup>th</sup> October if your child will be absent from school on Monday 31<sup>st</sup> October. This will serve as the official notification required by D.E.T. when students are absent.

Yours Sincerely,

Trevor Vass, Principal
