**Creativity, Achievement, Respect, Integrity, Nurture, Growth**

Dear students, parents and friends.

Welcome back to another term at Wandin Yallock, one I am sure will be just as engaging and challenging for our students, providing them with many opportunities to extend themselves and demonstrate achievement on many levels. I hope all students enjoyed the semester break and are feeling refreshed and full of energy for the term ahead. This week we have welcomed the Ross family (Sam F/1H, Chloe 1/2S, Stephen 3/4/5M, Lilli 5/6M) to our school. It's been great getting to know you this week and we look forward to working with you more as the year progresses. If you see them around, please make them feel at home.

It was great to have most of our families join with their children and teachers for the three way conferences this week. The chance to get together to celebrate students' progress and achievements and to set goals for the future is an important one. If you were unable to attend this week, please speak to your class teacher to arrange an alternative time after school in the coming weeks. I am sure you found the reports very detailed, clearly outlining your child's achievement and progress. Teachers spend many hours (at home) writing reports in order to make them meaningful for parents and students alike and I would like to thank them for their professionalism and commitment in doing so.

This week you should have received a personalised invitation to our upcoming Hollywood themed Trivia Night on Saturday 19<sup>th</sup> August. Please set this date aside in your diaries and start gathering a table of friends. The night is sure to be not only a great fundraising opportunity for our school, but also a wonderful community building occasion where parents get to have a night off and enjoy the company of other Wandin Yallock families and friends. It would be great to see the multipurpose room packed.

If you are free after school tomorrow, Friday 21<sup>st</sup>, we would appreciate your help at our working bee. Various jobs need to be completed including, weeding, mulch spreading, minor repairs, tree replanting, sweeping, cobwebbing, etc. Starts at 3.30 and finishes at 5pm.

Next Wednesday, the first of our 2018 Foundation Transition sessions will be occurring from 2.30-3.30pm. The 'Flying Start' sessions are a great way to introduce new students to life at primary school and we encourage all 2018 students to attend each session. The first session will be with Miss Harvey in her classroom. If you know of families who are still undecided on a school for next year, please encourage them to come along to this session and have a tour at the same time. Finally, a highlight of this term will be the whole school performance of *INK!*, this year's school production. If Monday's rehearsal is anything to go by, it is going to be fantastic and you won't want to miss out. Ticket information will be sent out later this term, but for now, keep the evening of Monday 18<sup>th</sup> September free in your diaries.

## Our Community Raffle Tickets

Just a reminder that if you haven't already returned your "Great Community Raffle" ticket stubs, money and/or any unsold tickets, can you please do so by Friday 21st July. We still have tickets available in the office if you would like to purchase more.

Thanks

Fundraising Friends Committee

## First aid Training

At the end of Term 2, students participated in First Aid training with St John. Now we encourage parents to join in and "do your homework" by going online ([www.stjohnvic.com.au/quiz](http://www.stjohnvic.com.au/quiz)) to see how much you know about First Aid. Are you First Aid READY?
