Fri. 22 nd	School Disco		
	End of Term 3 (2.30pm Dismissal)		

Creativity, Achievement, Respect, Integrity, Nurture, Growth

Dear students, parents and friends,

This week has seen several staff absent from school at either professional learning days or succumbing to illness; for me, both! The professional learning days staff have attended include leading further improvements in our mathematics program and investigating how the Google suite of apps might transform how we as teachers deliver, and how students access their education. Earlier this week, I was fortunate to read some of the amazing creative writing produced by our year 5/6 students. The skill in which they crafted their writing and included such detailed imagery was impressive and I look forward to reading more examples of this wonderful work as the year continues.

Tuesday saw the whole school introduced to a new community Art project that we have initiated with the Yarra Ranges Council, which will see students artwork used to create an art installation around the base of the large tree outside the Bendigo Bank at the Wandin shops. Our very own, talented artist in residence, Catherine Byatt, will be leading this project, which will feature student-made clay mosaics that depict indigenous, historical and environment aspects of our township. We are very fortunate to be leading this project for all in the community to enjoy.

Today was the last of our interschool sports rounds for our senior students. Each week I am impressed with the wonderful sportsmanship displayed by our students, often in the face of big losses. Well done to all. Next Friday, our 3-6 students will be competing at the rescheduled Athletics day at Morrison's reserve. Hopefully we get a lovely sunny day, similar to these last few days.

Have a great weekend.

Trevor Vass
Principal

OUTSTANDING ACHIEVEMENTS

	<p><u>BELLA F.</u> <u>3/4/5M</u></p> <p>How wonderful it has been to see this 'new' student become a happy Wandin Yallock girl! Bella, we love your enthusiasm for whatever we are doing, in class and out of it. You give every task your very best, whether it's creatively 'nutting out' Maths problems, investigating space probes, listening & responding to stories or writing character descriptions. Your work during INK rehearsals is outstanding and we know you'll shine on the stage, just like you're shining in the classroom. Congratulations Bella.</p>
	<p><u>TALEA M.</u> <u>3/4/5M</u></p> <p>Talea could receive this award every week! But this week she's getting an Outstanding Achievement award because: She puts in a fabulous effort at every INK rehearsal and knows all the lines and moves for her songs, as well as her speaking parts, which she delivers like a professional! She thinks about everything she reads and she makes really insightful comments about the characters in our class serial novel. She's worked very hard during Maths and is becoming a 'division' champ. She is always thoughtful and kind, and she displays our CARING values every single day!</p>

PREMIERS' READING CHALLENGE ENDS 8TH SEPTEMBER.

Can all challengers please ensure books for verifying are on their list by this date.

Book Fair

Thank you to all those people who came to visit the book fair. Our school receives a commission in books for hosting a book fair and we now have \$461 worth of brand new books for our school library. These will be catalogued and covered soon so look out for them to be on display in the library.

Can you help our school win a Buddy Bench?

WIN

A RECYCLED-PLASTIC 'BUDDY BENCH' SEAT TO DONATE TO A SCHOOL OF YOUR CHOICE!

HOW?

TAKE YOUR GUESS AT HOW MANY PIECES OF PLASTIC PACKAGING ARE IN THIS SEAT.

VALUED AT \$847
