Canteen and Coffee Shop News

Canteen Sales and Lunch Orders
As you will be aware due to a change in circumstances, we are now offering Canteen recess sales and lunch orders on Mondays instead of Thursdays starting Monday 20th July. **There is no lunch orders Thursday 16th July.** Lunch orders can be dropped off at the office any time during the week or to Bec in the canteen before school on the Monday morning. Mr K Lunch orders will continue to be offered on Fridays. These orders need to be in to the office by Wednesday 3.30pm for delivery to Mr.K’s.

Coffee Shop
We are still looking for someone or a couple of people to take over running the Coffee Shop this term. We would like to continue this great initiative which was started last year. It is great to see the school community getting together in a relaxed space and for the senior students having the real life experience of preparing food and serving customers. If you or a small group of parent(s) would like to take this on, please see Veronica in the office.
