

## RECEIVING NEWSLETTERS BY EMAIL

The newsletter is an important communication tool from school to your home. Many parents are already receiving the newsletter by email and we will continue to do this. It is a great saving to the environment and cost. We would love to have more families receive the newsletter by email (you will receive an email with a link that takes you straight to our newsletter page and has links to all of the notices that have been sent out during the week). If you would like to receive the Newsletter from us via email please fill in the form below and return it to school as soon as possible.
