Our next Working Bee is on this Sunday 27th July starting at 9am. We’d love parents and students to join us. We are planning to clean up and spread mulch in the gardens behind the Administration Building and clean up the "Big Shed". So even if the weather is not good we will have lots to do. Refreshments will be provided.

If you can come along please fill out the form below for catering purposes.

☐ Yes we can come along to the working bee on Sunday 27th July.

No. of people coming to working bee ______
