

# FUNDRAISING FRIENDS MEETING

Friday 26<sup>th</sup> August 2016  
8.50am Staff Room

## Fundraising Friends needs your help.

It is that time of the year when we start planning Field Days. This is an enormous task so the more people we get on board, the easier the job becomes. We need people to co-ordinate jobs such as ordering supplies and shopping, rosters and equipment. We will soon be sending out notices regarding working on the stall.

The money we raise from our Fundraising events including Field days is used to fund our Priority List Items. A letter asking for ideas has been sent home recently. If you have any ideas for our school that could be funded through our Fundraising efforts, please let us know. Fundraising money is also used to subsidise events for students such as the Graduation luncheon, Young Leaders Day and the upcoming School Disco.

In 2015 School Council approved a motion that 25% of all money raised from Fundraising will be saved and used towards upgrading the floor in the Stadium. The more help we get at events like Field days, the more choice in menu we can offer, so the more profit we make which will mean we can get these great plans finished quicker.

As the saying goes 'Many hands make light work' so please consider coming along to help in the planning of this great community event. Last year over \$3700 was raised from 2 days' work.

If you have not been involved in Field days before or any fundraising meetings...don't be shy we will guide you all the way.

If you can't make the meeting this Friday but would like to be involved, please fill in the form below and return to school.

EVERYONE IS WELCOME AND WE LOOK FORWARD TO SEEING YOU.
