TWILIGHT WORKING BEE

Now Daylight savings is back and the weather is improving we are having a twilight working bee on Friday 24th October. We’d love as many families as possible to join us. Children get a great sense of pride when they help around the school. The working bee will start straight after school and finish with a BBQ. So even if you can come later in the afternoon we would greatly appreciate all the help. Jobs include weeding, sweeping, whipper snipping, planting and general tidying up.

If you can come along please fill out the form below for catering purposes.

☐ Yes we can come along to the working bee on Friday 24th October.
☐ Yes we will be staying on for the BBQ

No. of people for BBQ (for catering purposes) __________

Name: ______________________  Phone: __________
