Yarra Hills Secondary College Discovery Day

Dear Parents,

Re: Yarra Hills Secondary College Discovery Day - 21/4/16

During Year 6, students at Wandin Yallock participate in a range of activities at local schools that support student transition from primary to secondary school. As part of these transition activities, all year 6 students will be attending a Discovery Day at Yarra Hills Secondary College, Mount Evelyn campus, on Thursday 21st April. During the visit, students will participate in a range of engaging, hands on activities including Music, Art and Technology, Food Technology and Sport. The aim of this day is to that expose students to various aspects of secondary school life, helping to make the transition from primary to secondary school smoother. Regardless of which school your child will be going to, participation in this day will be a valuable experience for him/her and as such we expect all students to attend.

Parents are also invited to come along and see what Yarra Hills Secondary College can offer their child and are welcome in the classrooms to watch the students engage in many of the hands-on activities that will form part of this day. Parents will also have the opportunity to explore our College during a mini-tour and are invited to join our Principal team for morning tea. Parents are requested to meet our students at the school as our bus will be shared with other local schools.
