

WANDIN YALLOCK SWIMMING PROGRAM

Years F - 6

October 9th - 13th 2017

Kilsyth Centennial Swimming Pool

Dear Parents/Guardians,

Our very successful Swimming Program is planned for the first week of Term 4. This is a daily, intensive swimming program where the students travel by bus and participate in a 1 hour group swimming session. We consider it an important component of our Phys Ed Program and therefore expect all children to participate. Australia has many pools, lakes, rivers, creeks, dams and oceans and it is therefore imperative that all our children are confident and competent enough to safely enjoy the leisure activities associated with water.

Years Foundation to 4: The Kilsyth Centenary Pool follows the Royal Life Saving "Swim and Survive" program. A high quality, structured learning program, specifically developed for comprehensive aquatic education. All levels include a balance of swimming skills and survival skills.

Years 5 & 6: The Kilsyth Centenary Pool program runs a specifically designed program for grade 5 and 6 students as an alternative to regular swimming lessons, using experienced trained instructors. The program incorporates alternate activities such as snorkelling, water polo, clothed survival swims, introduction to CPR, games and inflatables.

Certificates will be issued to all students at the end of the program.

Costs: Foundation - 6: \$79

We have managed to keep the cost of the program at the same price as last year, which includes the costs of the bus transport, pool entry and lessons with qualified instructors.

Please return the permission form and money to school by Wednesday September 20th 2017.

Kind regards,
Trevor Vass
Principal
