

Wandin Yallock Primary School

Before & After School Care Survey

Dear Parents,

Wandin Yallock School Council has begun the process of investigating the viability of providing Before and After School Care here at Wandin Yallock Primary School. We are requesting **all parents** to fill in an Expression of Interest form regarding Before and After School Care so that we can gauge the need of this service for our families.

Could you please fill in the form below and return to the school by **26/2/16**.

Regards,

Cindy Williams

Wandin Yallock School Councillor
