Thank you parents and students for your contributions to our 3 way interviews last Wednesday. It has been wonderful seeing students putting their goals into practice and striving to do their personal best. If you have not had an interview and would like to speak with your child’s teacher, please contact us to arrange a time.

We had a very informative training session at Mont de Lancey on Friday. Su (MDL teacher) explained the roles and responsibilities our students have as hosts and also reminded them how fortunate we are to have this program at Wandin Yallock PS. Not only is it an amazing opportunity to develop leadership skills but it is also a link to our local history and a chance to understand our past. The program begins this week with 3 lucky students hosting on Tuesday. Every grade 3-6 student will be rostered on at least twice over the year. Please contact your child’s teacher if you have any questions or transport issues. A reminder that the permission form is to be taken to Mont de Lancey and given to Su.

△ Has your child returned their 2015 report?

**HOMEWORK**

1. **Reading – 4/5/6;** At least 5 times during the week, recorded and signed in the student diary.
   All students have a book club novel with the date for completion recorded in their diary. Please ensure it is finished by the due date so that you can participate in the discussion and complete the activities.

2. **Spelling – 4/5/6;** Learn spelling words for test on Friday

3. **Maths – 5/6;** Maths revision. *This is an optional task for grade 4 students.*
