Premiers Reading Challenge – Everyone’s In It! Taking part in the Premiers reading Challenge is a great way to foster a love of reading and to be acknowledged for the reading that you already do. Last week all students received their login details and information for taking part in the Premier’s Reading Challenge. Parents are encouraged to visit the website and to help children add what they have read to their reading list. This can also be done at school. Congratulations to the students who have already visited their home page and listed a book!

Interschool Sport: Interschool sport begins this Friday when we play Seville PS, at Seville. All grade 4/5/6 students will be included in either the netball, volleystars or football team. This is a ‘friendly series,’ aimed at giving all students the chance to learn and play a team sport in an encouraging environment. No ladder is kept. Matches begin at 1pm and parents are most welcome to attend. We would particularly appreciate parental help during our home matches. This could be anything from cutting up oranges before the game to umpiring netball or football! Please note that all students are required to bring an orange for home games.

Pre-service Teacher: Please welcome Melanie Lambden to WYPS. Mrs Lambden is studying Education at Deakin University and will be with 4/5M for the next 2 weeks.

Reminders: Communication Books & some reports are needed school.

Homework:

1. **Reading:** Please read at least 5 times per week and sign in the diary. Remember this can be on weekends and back dated.
2. **Spelling:** Learn personal spelling words for test on Friday.
3. **Maths revision sheet:** multiplication and division
